BRIEF ABSTRACT OF LETTER.

Flag V

I submits for sanction an estimate amounting to Rs. 2500/- for the restoration of the Tank, Vodaluke, in the Jataghatta Nadampalli Village endowed to the Sri Anjaneyaswami temple in the Mulbagal Taluk and proposes that two-thirds of the cost may be met from the funds at the credit of the above temple, viz. Rs. 4660-6-11, on 1st April 1916, and one third from the ryots' contributions.

NOTES AND ORDERS.

From the Deputy Comr's letter to the Revenue Comr (No. 767 d. 15.3.16) it is seen that the tank in question is situated in the Survey Inam village of Jataghatta Nadampalli which is endowed

to the Sri Anjaneyaswami temple at Mulbagal and is under Government management. As the tank is said to have breached about 15 years back, the D. C. states that out of 47 acres 13 gunta of Atchkat ~~land~~ below the tank only about 30 acres yielding an annual assessment of Rs. 140/- are under cultivation, whereas the whole area is reported to have been assessed at Rs. 274/- per annum. Accordingly the Deputy Commr. states that by the restoration of the tank the whole of the Atchkat can be brought under cultivation and the full assessment of Rs. 274/- can be realised. It is also reported that the ryots are very desirous of the restoration of the tank and have already deposited a sum of Rs. 532-12-6 and that they have executed a Mutchalika binding themselves to pay the balance of their contribution, viz. Rs. 301-3-6, soon after the sanction of the estimate. Under the above circumstances the Deputy Commr. requests early sanction to the estimate. The Manahmat Engineer's Report on the Estimate has also been called. A plan and topo sheet tracing have been enclosed for reference. The estimate has been

Note that there is a marked ~~discrepancy~~ disparity between the figure indicated in your letter and that shown in the Comptroller's books which is reported to be Rs 1195-9-6 on the 1st April 1916

the amount of funds available at the credit of the institution on 1st April 1916 ~~as~~ in your letter has been stated to be Rs. 4660-6-11 while according to the figures ~~given~~ given in the Comptroller's books the balance ~~amounts only~~ to Rs. 1195-9-6.

Sir,

Adverting to your letter No.159/Muz.602-15-2 dated 15th ultimo, anent the restoration of the Tataghatta Madammalli Vaddukere tank in the Mulbagal Taluk, which is endowed to the Sri Anjaneyaswami temple at -- Mulbagal, I have the honor to state that the villagers are keen on the restoration of the tank. They have deposited towards their quota of contribution a sum of Rs.532-12-6 and have also executed a mutchalika, binding themselves to pay the balance of Rs.301-3-6 soon after the sanction of the estimate. A sum of Rs.1,466 is therefore required from the temple funds to meet the whole cost of the work. As the figures in the books of the Comptroller's office differ from those in the taluk office, steps are being taken to reconcile the differences and ascertain the -- correct balance at the credit of the institution, but it is feared it will take some time to do this. As the restoration of the tank is urgent and cannot be put off till then, I request that you may be so good as to obtain the sanction of Government to the estimate and to the payment of the cost of the work from the balance at the credit of the institution. If this course is not practicable, I request that a sum of Rs.1,466 may be sanctioned as a loan from the funds available at the credit of Sri Venkata-ramanaswami temple at Guttahalli in the Bowringpet Taluk, subject to the adjustment of the loan in due course.
